

## Interface Basics

The top of each page in Beanstack is the same, and looks like the image below. The different parts have been labeled. See the description for each below the image.

### A: Logging and Review

The 'Log Reading and Activities' button opens a window where you can track your reading and mark activities as completed.

Some challenges track time spent reading, others track minutes. Not all challenges have activities

The 'Add a Review' button opens a window to write a review. Enter the title of the book and your review.

### B: Change and Edit Readers

Accounts with more than one reader (ex: parents and children in one account) can use the box on the left to change the active reader –the person logging right now.

Click 'Edit Reader' to change the personal details of the active reader.

### C: Menu

Click on a menu item to access other areas of Beanstack.

**Programs:** Takes you to a list of all active challenges, including ones you've registered for, and ones you're eligible to start.

**Reviews:** Shows the reviews you've written and allows you to write new ones.

**All Badges:** Shows the badges you've earned across all challenges.

**Reading Log:** Shows you the titles and time you've logged in all challenges.

**Wish List:** A place to add books you'd like to read.

**Recommendations:** Books lists based on age and registered challenges.

### D: Community Goal

A display of progress towards the current community reading goal.

### E: Options and Settings

Clicking the gear icon will give you options to add a reader to your account, edit your account details, and sign out of Beanstack.

# **beanstack YOUR GUIDE TO: THE BEANSTACK INTERFACE**

## Interface Basics

The central area of the main page shows current challenges, including ones you've registered for, and ones you're eligible to start.
