

Mildmay and Teeswater Branches

Summer Reading Club

Registration opens June 17!

Track your child's summer reading through Beanstack on our website,
or use the handy Beanstack app!

No app? No problem! Ask library staff for a paper log.

Goals are based on time spent reading. Meet goals and earn ribbons!

Log two hours of reading and get a Summer Reading Club window cling.

Ribbons and window clings can be picked up at your local branch.

Plus, logging reading hours qualifies them for summer reading prizes all summer long.

Keep logging until August 26.

The more time spent reading, the greater the chance to win!

Find out the truth about pirates, and what it was really like to be a pirate. There are hands-on elements, and our workshop leaders will be dressed in clothing from the golden age of piracy. Evergreen Reading Program

The Evergreen Award program is a perfect way for public libraries and book clubs to engage with best titles in Canadian fiction and non-fiction. Register today in the Beanstack app or pick up a bookmark from your local Library Branch and read the titles listed. In September, vote for your favourite title. All votes are collected and counted from libraries across Ontario to determine readers' choice for this year's Evergreen Award!
