

Sauble Beach and Wiarton Branches

Summer Reading Club

Registration opens June 17!

Track your child's summer reading through Beanstack on our website,
or use the handy Beanstack app!

No app? No problem! Ask library staff for a paper log.

Goals are based on time spent reading. Meet goals and earn ribbons!

Log two hours of reading and get a Summer Reading Club window cling.

Ribbons and window clings can be picked up at your local branch.

Plus, logging reading hours qualifies them for summer reading prizes all summer long.

Keep logging until August 26.

The more time spent reading, the greater the chance to win!
