The library collection complements the collections of the Bruce County Museum and Cultural Centre.

Section 1: Collections

1. The Bruce County Public Library does not collect primary sources which are more appropriately housed by the Bruce County Museum and Cultural Centre. An exception may be made for library documents pertaining to library history.
2. Writings of local authors that are not about Bruce County or the surrounding area are subject to the Collection Development Policy OP.
3. The library will subscribe to databases relevant to local history and genealogy research.
4. It is not the mandate of the Bruce County Public Library to digitize local history documents.
