

Policy: Operational - Safety, Security and Emergencies in the Library

Department: Library

Effective Date: February 2017

Revision Date: September 2019

Next Year of Review: 2021

The Bruce County Public Library Board is committed to providing a safe and secure environment for staff, volunteers and members of the public who use the library. The board also acts to protect and secure library property.

1. The board, and Chief Executive Officer (CEO) share the responsibility to ensure a safe and secure place for the public and all Library staff.
2. All board members, staff and volunteers will take initiative on public safety issues and will work to solve problems and make improvements on an ongoing basis.
3. The board ensures that funding, time and resources are dedicated to training the staff in safety, security and emergency procedures.
4. The Library develops safety and security programs in coordination with the County of Bruce that include procedures, implementation plans, enforcement, and reporting for prevention and mitigation of:
 - a) harassment and violence (see also relevant County of Bruce policies and procedures) that compromise the safety and health of staff and the public, including bomb threats, harmful, abusive and dangerous behaviour by individuals
 - b) Safe work practices, including WHMIS, ergonomics, working alone, and indoor air quality
 - c) crime, including theft, vandalism, and drug dealing and/or use
 - d) Disasters that threaten collections, furniture and equipment, including fire and flood.
5. Staff members will enforce the *Library Code of Conduct* in order to ensure safety and security in the library.
6. In accordance to **Ontario Regulation 191/11 Integrated Accessibility Standards** all emergency procedures, plans or public safety information will be made available to the public in an accessible format or with appropriate communication supports, upon request.
7. Closing the library may be necessary in emergencies or catastrophes including, but not limited to, extreme weather and power failure. The primary consideration is the safety of all persons in the building and on

the property. The CEO or designate in consultation with the Bruce County CAO will determine when to close the library during an emergency or catastrophe.

8. The library cooperates with other agencies responsible for health and safety and local emergency preparedness.
